# Parish News letter- First Sunday of Lent - 10th to 17th March 2019

#### THIS UGLY THING CALLED SIN:

On Ash Wednesday the Christian world tuned into a season of penance and reconciliation known as Lent. They will spend 40 days in prayer, almsgiving and fasting. These are principal signs of their commitment to Jesus Christ who asks us to repent and turn to God. Lent is a spring time to awaken to the invitation of Jesus 'Come and follow me.'

Lent brings us face to face with the ugly reality of sin. God's love for humanity was reciprocated with hatred, a hatred that could only be transformed into love by Jesus Christ, through his incarnation, death and resurrection. The sign that death will be defeated and that victory will be ours is given in the Crucifix. Many Protestants and Pentecostal Christian movements have more than twice criticised the Catholics for retaining the Crucifix instead of a bare cross. "Jesus is risen and gone," they say, "what is this business of hanging him on the Cross!" Well the answer is simple: Catholics believe that the sins of humanity were taken away NOT by the wood of the Cross but by the ONE who hang on it. It would therefore be a theological error to exult the cross without the one who hanged on it. It would be like praising the spear without the man who wields it.

The IICSA public Inquiry carried out sometime last October reminds us how Sin can by no means be taken as personal, instead it affects the community. We form one body, the healthy feeling of one part contributes to the welfare of the other. Therefore some other aspects of Lenten season is to help us to realise how one's sinful behaviour can contribute to the sinfulness of the entire church.

The devil has expertise in putting on a mask to appear to be what he is not. This season of Lent is to help us to be conscious of the ways in which sin has become a normal way of living and reject it. In some cases sinful behaviour is simply accepted as 'freedom of expression' but the reality is: while the world treats with glamour things human conscience treats as loathsome, when sin is full-grown, it brings forth death" (James 1:15).

During this Lent, let us focus our gaze on the love of God. What God can compare with the God revealed by Jesus Christ; taking faults away, pardoning crime, not cherishing anger forever but delighting in showing mercy? Once more may God have pity on us, cast away our sins to the bottom of the sea and

YOU ARE MOST WELCOME to our Parish Church. If it is your first time here or probably you have been here before, your presence with us at this moment at our community worship is greatly appreciated. Our Parish Church is the second to be built in Coventry after the Protestant Reformation. It was built in 1893, the pews have never moved since then! Our Musical Pipe Organ was inaugurated in 1898, it was the best of its kind at the time. Our Parish has had eleven Parish priests since 1889, the present one being a Religious Missionary from the Institute of Apostles of Jesus in Uganda. Our Parish welcomes and promotes the initiatives taken by everyone for the building up and sustenance of our faith community.
